Jewellery, Aug 31 - Sept 3 2008, London, UK

Overview

Brands A-N Brands O-Z Trends

IJL remains one of the UK's leading jewellery events, showcasing a mix of hot young designers and established names. WGSN reports.

Katja Hunold

Katja Hunold

International Jewellery London remains the leading event in the UK jewellery industry's calendar.

Held annually, this season saw a **new-look show with a mezzanine floor** featuring the Design Gallery, hosting 100 of the industry's hottest talents, including new names, established brands and contemporary designers.

This season's **Bright Young Gems** talents - upcoming and noteworthy young designers launched at IJL - were chosen by Claudia Mahoney of *Glamour*, *The Daily Telegraph's* Hilary Alexander, Kate Reardon of *Vanity Fair* and *Vogue's* Carol Woolton.

The chosen names to watch out for are **Carla Shanks, Emily Richardson, Laura Bamber and Agnieszka Butter.**

Emily Richardson

Agnieszka Butter

Laura Bamber

Carla Shanks

Also showing this year at IJL was **Future In the Making**, a government-funded initiative aimed at helping twelve London-based, established jewellers take their businesses to a higher level.

The illustrious roster of names included **Wilson, Tamara Gomez,**
